

GREATER CHARLOTTE CHAPTER

Greater Charlotte Chapter SFPE Newsletter

April 2018

Greetings from your President

As we approach the final few meetings for the 2017/18 SFPE year, we have seen several changes in the Greater Charlotte Chapter. In addition to changing the chapter name, we have accomplished several other items that were on the agenda.

1. Filed Taxes and renewed Tax Exempt Status!
2. Increased Membership by 20%!
3. Increased meeting attendance! - Thank You!
4. Registered as an Incorporated Chapter with SFPE National
5. Revised Bylaws—(approval still needed)

We hope to continue this trend and keep everyone involved in the coming years. We will be having the business meeting in June and need everyone to attend to help move the chapter in the right direction.

We look forward to seeing you soon,

Ray

ALLIED PROFESSIONALS

The Carolina's chapter has many individuals on our mailing list who do not qualify for Professional or Associate Member status with SFPE but are still interested in the services that the organization provides. In 2000, SFPE began to recognize such individuals and has created the Allied Professionals program to reach out to such individuals to give them the opportunity to interact with the fire protection engineering community, without membership in SFPE. This is a special program to meet the needs of those with whom the engineering community works on a daily basis.
